

Private Ice Skating Lessons

Thank you for your interest in private ice skating lessons at Guildford Spectrum.

Private one to one lessons cost between £22 and £30 per 30 minutes. Each skater must pay for the ice the lesson takes place on - and for this we charge a reduced session rate of £4.75 per skater.

Skate Hire is £3.75

All tickets are paid at Reception on arrival and named ticket to be given to the coach at start of lesson.

For example - one person for a 30-minute lesson including the session the lesson takes place on, the cost would be (for a £23 coach)

1 x lesson fee = £23

1 x £4.75 plus session = £4.75

1 x skate hire = £3.75

Total cost £31.50

We are currently experiencing a huge demand for private lessons and along with limited coaching space, a booking may not be immediate.

Thank you for your patience.
